Features:

- Features Leather Match upholstery
- Genuine leather typically covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation
- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Frame constructions have been rigorously tested to simulate the home and transportation environments for improved durability
- Frame components are secured with combinations of glue, blocks, interlocking panels and staples
- All fabrics are pre-approved for wearability and durability against AHFA standards
- Cushions are constructed of High-resiliency foam cushions wrapped in thick poly fiber
- Features metal drop-in unitized seat box for strength and durability
- All metal construction to the floor for strength and durability
- The reclining mechanism features infinite positions for comfort
- Reclining pieces feature an Adjustable Headrest
- The Console (-57) features 2 cup holders and hidden storage
- One-Touch power control with adjustable positions features Easy View™ adjustable headrest and zero-draw USB port
- Zero-Draw technology only consumes power when the USB receptacle is in use
- Zero-Gravity mechanism allows optimum reclining comfort with infinite reclining positions at the touch of a button
- Zero Wall recliner design requires minimal space between wall and chair back
- Collection features both Left and Right Side Facing pieces along with additional sectional pieces to offer multiple configuration options
