

## MDR-NC8/BLK

## Noise Canceling Headphones

Perfect for travelers these Sony noise canceling headphones deliver remarkable noise reduction with vivid audio. While soft earpads provide long-term comfort, the folding design, stows conveniently in a carry-on. Thanks to Sony signal processing technology, ambient noise from the office, airplanes and trains is reduced by up to 90 percent.

### Noise Canceling

Enjoy an immersive and peaceful listening experience without all of the noise. NC8 headphones reduce up to 90% ambient noise when noise canceling circuit is activated.<sup>1</sup>

### 30mm Driver Units

30mm drivers with neodymium magnets deliver powerful bass and clear treble.

### Passive Listening

Should your battery run out and you don't have a spare, you can still listen without the noise canceling activated.

### Lasting Comfort

The lightweight, super soft on-ear design allows for comfortable wearing over long periods of time. Ergonomically shaped flexible earpads and the adjustable headband also allow for a proper fit, making them a great companion on long flights.

### Dual Folding Design

Compact for portability yet affording listening flexibility, the dual-folding design affords for easy portability.

### Battery Life

A single AAA battery provides up to 80 hours of listening time.<sup>1</sup>

### Accessories

In-flight plug adapter and AAA battery included.

## Specifications
