Iron base is a very dull and dark
brass

Marble top features heavy veining
with heavy earthy undertones ranging
from brown to red, and yellow and
greens. Coasters recommended

Marble is a natural stone product and
is known for its variation in color,
carbon deposits and veining patterns.
Variations in shade and markings are
normal and can be expected with the
natural materials used in the
construction of this product. Due to
the porous nature of marble, it is
vulnerable to staining agents and
high heat. Avoid placing hot or wet
items on surface.

Weight Capacity: 18 lbs

Suitable as a side table, end table or
accent table in an indoor living space

To clean, wipe with a clean dry cloth
and dust regularly. If spills occur,
wipe spills with a damp cloth and dry
immediately. No abrasives or
household cleaners that can damage
the marble. Drink coasters are highly
recommended
