

## CLASSIC RETRO BY UNIQUE

### 16" Propane Pizza Oven

*Classic*  
by UNIQUE

Add bold retro style to your patio with the Unique Classic Retro 16" Propane Pizza Oven. Heating up to 850°F, it cooks artisan pizzas in minutes. With 1950s design and modern power, it's perfect for outdoor entertaining and a standout in any backyard.

- **Iconic Retro Design** – Features the signature curves and powder-coated red finish of Unique's Classic Retro collection for standout patio style
- **High Heat Performance** – Heats up quickly with propane power (27,300 BTU) and reaches up to 850°F, perfect for Neapolitan-style pizzas in under 5 minutes
- **15mm Cordierite Stone** – Durable baking stone distributes heat evenly for crisp, golden crusts and authentic pizzeria flavor
- **Portable & Compact** – Ideal for patios, decks, camping, or RV use; lightweight design with foldable legs makes setup and storage easy
- **Built-In Thermometer** – Integrated temperature gauge and adjustable heat control ensure precision cooking every time
