

# SCFF496

82.63" x 54" x 32.25" (H x W x D)

Commercially approved frost-free reach-in two-door freezer in complete stainless steel; replaces SCFF495

### Highlights:

- Fully constructed from stainless steel inside and out
- Two self-closing doors are ideal for busy locations and will stay open when pulled to 90° for easy loading
- Digital thermostat with external readout for easy and accurate temperature control

### Product Features:

|                                       |                                                                                                                     |
|---------------------------------------|---------------------------------------------------------------------------------------------------------------------|
| Complete stainless steel construction | Interior and exterior are entirely constructed from stainless steel for lasting durability and easy cleanup         |
| Commercially approved                 | ETL-S listed to NSF standards for commercial use                                                                    |
| Frost-free operation                  | No-frost system simplifies maintenance                                                                              |
| Self-closing doors                    | Closes to save energy but will remain open when the door is opened at a 90° angle                                   |
| 6 inch casters                        | Self-locking casters for mobility and more sanitary cleanup                                                         |
| Adjustable cantilevered shelves       | Heavy duty slide-out wire shelves can be adjusted to accommodate a variety of sizes for optimum storage convenience |
| Digital thermostat                    | Easy push buttons and an external temperature readout for precise temperature management                            |
| Front-mounted lock                    | Keyed locks ensure added security                                                                                   |
| Interior light                        | Automatically illuminates when you open the door                                                                    |

# SCFF496 Specifications:

| Overview                   |                      |
|----------------------------|----------------------|
| Height of Cabinet          | 82.63" (210 cm)      |
| Width                      | 54.0" (137 cm)       |
| Depth                      | 32.25" (82 cm)       |
| Depth with Handle          | 32.25" (82 cm)       |
| Depth with door at 90°     | 57.0" (145 cm)       |
| Capacity                   | 46.6 cu.ft. (1320 L) |
| Defrost Type               | Frost-Free           |
