Front Control Freestanding Range Universal Backguard

For added protection of the rear wall behind your Frigidaire Freestanding Front Control Range, use the Frigidaire Universal Backguard. In addition to protecting the wall from steam, splatters, and sprays from cooking, it can also cover up untiled backsplash areas and create an upgraded look. The Backsplash Trim Kit is easy to install and includes both adhesive tape and hardware for any installation. Features a smooth stainless steel finish that holds up to normal day to day use. For use with select Frigidaire Free Standing Front Control Ranges.

Available Colors: Stainless Steel

Version: 04/23

Consumer Benefits

Give your backsplash an upgraded look

Add a professional finish to your kitchen or cover up any unfinished backsplash areas with a sleek 4" backguard for your Front Control Range.

Protect the wall behind your range

Provides protection against steam, splatters, and sprays from cooking.

Simple installation

Installation is simple with option for adhesive tape for tile installation or screws for drywall installation.

Durable stainless steel finish

Durable stainless steel construction enhances the look of your range and holds up to normal day to day use.

Fits Select Models

For use with select Frigidaire Front Control Freestanding Ranges. See package or website for full list of models.
