STRATA ENTERTAINMENT CENTER

With television sizes expanding, the Strata Entertainment console was developed to accommodate the ideal viewing dimensions for the most popular large format dimensions. The bonus is that it does so with a beauty all its own. The Strata has three drawers along the top above four doors that conceal two large storage spaces. Each of those spaces features one adjustable shelf (for a total of 2 adjustable shelves).

- Cherry

Solid Wood - Made using genuine solid wood construction

Electrical Cord Management - Electrical outlets built in for convenience
