## ARIA LEVEL ONE 13" FIRM TIGHT TOP

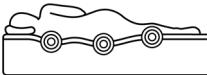

### Premier Individualized Support + Motion Separation

**1000 Density Pocketed Coil® Technology** provides premier, individualized support for every sleeping position + unparalleled motion separation for an undisturbed rest.

### Cooling Sleep Surface

**InfiniCool® MAX Technology** features a cool-to-the-touch sleep surface designed to help move excess heat away from the sleeper with natural lux fibers for added surface breathability.

### Responsive Pressure Relief and Edge Support

**SurfaceTouch™ Gel Memory Foam** is quilted into the sleep surface to unlock immediate, advanced pressure relief.

**World Class Relief™ HD Foam** delivers high density, conforming foam that responds to body temperature for remarkable pressure relief.

**Beautyrest® ActiveResponse™ Memory Foam** provides higher-density contouring comfort\* designed to help alleviate aches and pains.

### Adjustable Base Compatible
