PRODUCT DESCRIPTION

Indulge in the pleasure of real leather at a fraction of the cost. This sumptuous sectional with chaise makes a handsome statement with its combination of leather and faux leather upholstery and a modern yet cozy design. Thanks to its ample cushioning, the feel-good experience is that much sweeter.

- Includes 3 pieces: left-arm facing corner chaise, armless loveseat and right-arm facing corner chaise
- "Left-arm" and "right-arm" describe the position of the arm when you face the piece
- Corner-blocked frame
- Loose, non-reversible seat cushions; attached back cushions
- High-quality foam cushions wrapped in poly fiber
- 100% top grain leather covers inside areas such as the back, seat and arm cushions; skillfully matched faux leather covers the remaining areas
- Due to its natural origin, real leather can show individual characteristics such as healed scars, growth marks, grain variation and shade variation

- Natural variations make each hide unique and do not detract from the wearing qualities of leather
- Low-profile accent legs with faux wood finish
- Platform foundation system resists sagging 3x better than spring system after 20,000 testing cycles by providing more even support
- Smooth platform foundation maintains tight, wrinkle-free look without dips or sags that can occur over time with sinuous spring foundations
- Estimated Assembly Time: 10 Minutes
