Bauer Dining Chair Sage

Heritage vibes, meet weeknight comfort. The Bauer Dining Chair nods to Arts and Crafts tradition with a grounded oak frame—then softens the whole story with padded arms and an inviting seat. Straight lines keep it crisp, gentle curves keep it human, and the sage upholstery adds a calm hit of color that plays well with warm woods. Finished in oil to highlight the natural oak grain, it's the chair that makes "stay for dessert" feel like a plan.

- Heritage-Forward Lines: Rooted in Arts and Crafts forms, the mix of straight edges and soft curves brings structure, warmth, and a timeless, updated feel.
- Oak and Upholstery Mix: Solid oak and oak veneer over MDF pair with sage 100% polyester upholstery for a grounded, easy color story that layers in smoothly.
- Oil-Finished Frame: Natural oak is finished with oil to highlight the grain, giving the chair a well-made presence that feels considered from every angle.
- Padded Arm Comfort: Foam and fiber fill plus padded arms make lingering at the table feel natural—whether it's dinner, coffee, or the second round.
