

WALKER SEMAINIER

The Walker Semainier is the statement piece in the Selwyn Collection. The word "semainier" means week, in French and this tall slender piece has seven drawers, one for each day of the week. It has a brown felt pad in the top drawer, and dividers in the second and third. There are adjustable levelers on the bottom, and the hand holds in the back make for easy mobility.

- Poplar

Solid Wood - Made using genuine solid wood construction
