

Quest Performance® Pillow

Sizes Available: One Size

The Technology Behind The Innovation:

- The Dri-Tec® moisture-wicking cover actively wicks moisture to keep you dry.
- Air-X® Mesh ensures continuous airflow helping your body regulate its temperature.
- React™ Blend – Proprietary blend of responsive foam that includes shredded React materials mixed with silk-like fibers for a softer, plush feel.
- Bedgear Pillows are manufactured in the USA

Moisture Management

Dri-Tec® cover wicks moisture away from your body, helping you sleep drier & cooler

2" Airflow Gusset

Breathable Air-X® mesh on all sides provides continuous airflow in and around the pillow.

Consistent Comfort Designed To Never Flatten

Conforming Pressure Relief

Our React™ fill adapts & conforms to your contours providing supportive pressure relief.
