

# CP961

56" x 21.5" x 21.75" (H x W x D)

Two-door cycle defrost refrigerator-freezer in slim width; replaces CP96

## Highlights:

Unique 21 1/2" width is ideal for small kitchen spaces

Adjustable shelves and large crisper drawer for optimum storage

Multiple door racks accommodate condiments and bottles

## Product Features:

|                             |                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Thin-line design            | Limited space is no problem for our thin-line models, designed specifically for those hard-to-fit spots                   |
| Cycle defrost               | Combines an automatic defrosting refrigerator with a manual defrost freezer for a quality performance with energy savings |
| Door storage                | 4 full racks offer convenient storage for condiments and bottles                                                          |
| Adjustable shelves          | Rearrange your refrigerator space to accommodate all shapes and sizes or remove shelves for a simple clean-up             |
| Fruit and vegetable crisper | Get the longest life and best taste out of produce by storing greens in a convenient slide drawer                         |
| Reversible doors            | User-reversible door swing for added flexibility                                                                          |
| Interior light              | Automatically illuminates when you open the door                                                                          |
| Removable freezer shelf     | Wire shelf provided for flexible storage                                                                                  |
| Sealed back                 | Space-saving design that offers easier cleanability                                                                       |
