THOUGHTFULLY DESIGNED, LUXE TOUCHES

Incorporating luxury materials such as real wood veneer and tactile switches and knobs, this Heritage Inspired tabletop speaker blends the acoustics and classic design legacy of Paul W. Klipsch with the latest technologies available today.

BIG SOUND, SLENDER FOOTPRINT

Don't let its size fool you – The Three Plus is a powerful 2.1 stereo system biamplified for audiophile resolution and professionally tuned by Klipsch acousticians to deliver a crystal-clear performance with great bass. Featuring two 2.25" full range drivers and a 5.25" high excursion woofer, you'll be surprised at the sound quality that comes from such a small package.

THE LATEST BLUETOOTH® TECH

Stream your favorite playlist or podcast with ease via Bluetooth® 5.3 wireless technology. Pairing is simple: just press and hold the source button on The Three Plus and select the device on your smartphone or tablet. Remembers up to 8 devices at once so the whole house can enjoy at the touch of a button.

KLIPSCH CONNECT APP ENABLED

Download the Klipsch Connect App from your app store for quick and easy set up options. With the tap of a few buttons, you can control your device via smartphone or tablet, adjust EQ settings, save your favorite presets, and access future firmware updates.

USB-C FOR ULTIMATE CONNECTIVITY

Connect your favorite devices via USB-C for playback and reverse charging. It's also capable of powering a WiiM Mini to allow network streaming functionality.

OPTICAL PORT

This digital input allows for to 24-bit/96kHz high-resolution audio decoding and playback.

GO VINTAGE WITH VINYL

Thanks to included Phono/RCA ports, you can easily connect your Three Plus to your turntable to spin your favorite records.

DESIGNED TO FIT YOUR LIFESTYLE

Podcasting in the kitchen? Jammin' in the garage? Need soothing sounds for your little one in the nursery? The Three Plus is small enough that it can be placed virtually anywhere, and its modern design compliments any décor.
