

KINCAID

ITEM # 706-420S

BLAIR NIGHTSTAND

Bedside tables and nightstands just do not get the credit they deserve. Other than the bed, this is the item that is most likely to be in every bedroom. So why cut-corners on such a key piece. The Blair bucks that trend both in terms of style and function. From a styling perspective, it gets treated to the same framed solid plank end panels to make it look great from any angle. Functionally, it features three full-depth drawers for real storage, an electrical outlet in the back for access to plug in, and a night light to assist in the dark.

- Three drawers
- Night light
- Electric outlet on back of case
- New Zealand Pine

Ambience Lighting
