

30" Full Depth Slide-In Electric Range

**BERU30524SS /
BERC30524SS**

Key Features & Benefits

True European Convection

True European Convection utilizes a dedicated heating element around the rear fan to circulate warm air evenly and consistently throughout the oven, allowing you to cook multiple dishes at once on different racks.

Large Oven Capacity

With its spacious Large Oven Capacity, you'll have plenty of room to prepare all your dishes for family meals with ease.

12" Cooking Zone

Equipped with an extra-large 12" Cooking Zone, this spacious feature ensures fast, efficient cooking for oversized pots and pans of any shape.

Airfry

AirFry delivers crispy food without the use of cooking oil, resulting in a healthy way to enjoy the taste of fried foods without the frying. AirFry also requires no pre-heat time. Faster and healthier cooking made easy.
