

Puffy Mattress

Our original memory foam mattress that's best for all sleepers who need proper body support and cooling.

10" | 5 LAYERS

1 STAIN-RESISTANT CLOUD COVER

Zip-n-wash cover is hypoallergenic and keeps your mattress fresh and well-protected against dust, insects, sweat, dust mites, and other allergens that can interrupt your sleep.

2 COOLING CLOUD™ FOAM

This 2" foam layer disperses heat away from the body and regulates airflow seamlessly. Designed with gel-infused foam, it increases airflow 8x more than standard foam mattresses.

3 CLIMATE COMFORT™ FOAM

2" specialized foam layer with advanced temperature & humidity-resistant materials that combat climate fluctuations, which can disrupt a comfortable night's sleep.

4 FIRM CORE SUPPORT FOAM

6" foam layer provides better responsiveness and four times the support of standard mattresses. This base layer ensures all sleeper types achieve consistent and undisturbed rest.

5 GRIP BASE COVER

Prevents the mattress from slipping and sliding on the bed frame as you sleep.
