

**FIVE MOTOR INFINITE POSITION WITH ZERO GRAVITY
TILT AND RECLINE TECHNOLOGY**

This isn't just any chair; it's the epitome of relaxation technology. Our infinite position chair is uniquely designed with a state-of-the-art tilt feature and a three-zone heating system to ensure your utmost comfort. The MM-3900's innovative tilt function lifts you gently from the front, similar to the comforting sway of a rocking chair, without any stress on your joints or bones. This zero gravity sensation is the heart of our design, offering you a feeling of weightlessness and serenity. With the simple press of a button on our intuitive toggle remote, you can effortlessly find your perfect angle of relaxation. The transition is smooth and intuitive, allowing you to easily settle in to your ideal position.

KEY FEATURES AND BENEFITS

- **Infinite position: zero gravity, lay-flat, recline & lift** – recline to your comfort zone, or use the lift function to aid in sitting or exiting your chair
- The **Tilt** elevates you from the front, similar to a rocking chair. This innovative design provides a **zero gravity experience** while distributing weight and pressure evenly along the body
- **Five-motor comfort system**
 - Power-tilt headrest and adjustable lumbar
- **Toggle remote** with soft buttons and USB port
- **Three zone heat** – heat in lower back, seat and chaise pad ottoman areas – keeps your back and legs warm
- Easy-to-reach side pockets on both sides – store your magazines, newspapers or remote controls
- Both arm panels pull out one holds a pull-out cup holder and the other a pull-out wireless charger
- Chaise pad construction – head to toe comfort and support
- Standard glide-extension footrest
- Furniture grade hardwood/plywood construction
- Heavy duty steel lift mechanism
- **Lithium battery backup pack ensures your recliner is operational when the power goes out**
- **Warranty: two years on parts and service; limited lifetime on steel lift frame**
