

## Lowtide Lounge Modular Sectional Amber Glow

**COLORS:** Yellow

### OVERVIEW

Influenced by the playful forms of the 1970s, the Lowtide lounge modular sectional configuration showcases a layered appearance that promotes comfort. Textured fabric enhances its vintage influence and understated elegance, as this modular sectional adds visual interest while allowing for creative arrangement possibilities.

- 100% Polyester upholstery over foam core, polyfill-wrapped cushions with webbing seat support. Feather topper on the seat and back comprised of 30% feather and 70% fiber. Feather-filled toss cushions ensure optimum comfort

- Frames made from kiln-dried wood. Solid woods react dynamically to their environment & may swell & crack with changes in humidity & temperature, the kiln-drying process prevents the wood from warping or developing small cracks over time, resulting in highly durable furniture.
