Julian Swivel Chair Cedar Green

Cedar green curves, then swivels into place. Soft rounded edges, a curved back, and a wooden plinth base give the Julian swivel chair a modernist-meets-contemporary silhouette. Cedar green upholstery blends recycled polyester with polyester for a velvety surface, while high-density foam, memory foam, and fiber support the generous seat and wrapped back. The swivel base keeps conversation within easy reach. Comfort, with a pivot.

- Rounded Modern Form: Soft rounded edges and a curved back give the Julian swivel chair a generous, wraparound silhouette, giving the profile a more considered shape.
- Cedar Green Fabric: Velvety cedar green upholstery blends recycled polyester with polyester, bringing deep color and a soft surface, keeping the material story warm and usable.
- Cushioned Back Support: High-density foam, memory foam, and fiber fill support the seat and curved back for a comfortable sit, giving the detail a cleaner final note.
- Smooth Swivel Base: A swivel base and wooden plinth let the chair turn easily while keeping the profile grounded, so the chair can turn with the conversation.

Item Code	VV-1047-27
Swatch Code	SWS-1055-0005
Country Of Origin	THAILAND
Product Materials	Upholstery: 50% Recycled Polyester 50% Polyester, Frame: Engineered Wood and Plywood, Seat Fill: High Density Foam Seat Memory Foam and Fiber Seat and Back Cushion
General Dimensions	33.0” W X 35.0” D X 26.5” H
