Extended Service Plan Parent	

The Gladiator® Flex Cabinet System III is your all-inone, versatile storage solution. These garage storage cabinets include one 30" tall cabinet, two 24" wall cabinets and one 24" 2-door base cabinet. Tough features like welded steel construction and fullyadjustable shelves meet modern design with recessed handles and soft-close doors to create a complete garage cabinet system.

The entire Flex Cabinet System III can hold up to 1730 lbs of evenly distributed weight. Keep items safe with a 2-point locking mechanism on Wall and Base cabinets and a 3-point locking mechanism on all Tall cabinets. Keep your workstation neat using the integrated cable management holes with a protective grommet that prevents wires from getting scratched or damaged.

#### **Top Features**

Heavy duty welded steel construction

Durable powder coat finish that complements other Gladiator cabinets

**Pre-assembled**
