Perry Outdoor Bistro Table Natural

Classic folding table energy—just with better weekend plans. Perry is made to blur the line between patio time and indoor hosting, so it feels right at home wherever you set it down. Crafted in teak wood with a warm natural finish, it brings clean, timeless character without the fuss. The folding design makes setup quick, and stow-away clips keep everything neatly secured when it's time to pack it up.

- Easygoing Classic: A fresh take on the traditional folding bistro table, designed to look at home outdoors and feel equally welcome inside.
- Teak Warmth: Made from teak wood in a natural finish that reads clean, grounded, and ready for everyday use across seasons.
- Smart Folding Design: A well-made folding structure keeps things simple—open it up when you need it, fold it down when you don't.
- Stow-Away Clips: Integrated clips help secure the table when folded, making storage and transport feel organized, not awkward.
