Mid-century lines on tall legs, brought into the present. Clean lines and recessed-panel detailing give the Hugo media unit a silhouette that feels true to the era yet fresh and current, raised on tall legs in a warm brown oak finish. Two side drawers and two central doors mix open and concealed storage, while square black knobs add a clean, modern contrast against the wood. Retro roots, ready for today's screens.

- Mid-Century Lines: Clean lines, recessed-panel detailing, and tall legs give this media unit a mid-century silhouette that reads fresh in a contemporary room.
- Warm Oak Finish: A solid oak body in a warm brown finish lets the grain lead, with recessed-panel drawers and doors adding subtle texture and visual interest.
- Storage, Two Ways: Two side drawers and two central doors mix open and concealed storage, keeping media gear, remotes, and everyday clutter sorted and out of sight.
- Square Black Knobs: Square black knobs add a clean, modern contrast against the warm oak, a small hardware detail that sharpens the whole mid-century look.
