Palermo Pedestal Bowl White Marble

This is how you make a surface feel finished—without trying too hard. The Palermo Pedestal Bowl takes a classic, grounded form and lifts it (literally) with a pedestal base that gives your styling a little more presence. Carved from solid Rajnagar white marble, it puts natural material front and center, with subtle variation that makes each piece feel individual. Use it to corral keys, serve as a centerpiece, or let it sit solo as quiet sculpture.

- Classic Pedestal Form: A transitional silhouette with an elevated base that adds structure and height, making everyday surfaces feel more considered.
- Rajnagar White Marble: Solid marble delivers cool tone and natural variation, bringing depth to light spaces and balance to warmer materials.
- Artisan-Made Detail: Crafted to showcase the stone's unique patterning, so every bowl has its own character while staying cohesive in style.
