LAUNDRY

**WHP120**

24" 12KG Front Load Washer

White

### FEATURES & BENEFITS

#### Interior water heater

Provides optimal water temperature for better cleaning performance and hygiene. Helps dissolve detergent efficiently, ensuring a thorough and hygienic wash while effectively removing tough stains.

#### Touch Control

Intuitive and modern control panel with a sleek, responsive interface. Enhances ease of use, allowing precise program selection and seamless operation with a simple touch.

#### Time Save

Reduces washing time without compromising cleaning performance. Ideal for busy lifestyles, it allows you to complete laundry cycles faster while maintaining excellent results.

#### Water Cube Drum

Innovative drum design that protects fabrics while improving washing efficiency. Minimizes fabric wear and tear, ensuring delicate and long-lasting garment care.

#### Tub Clean

Dedicated self-cleaning function to maintain a hygienic washing environment. Prevents mould and residue buildup, extending the lifespan of the appliance and ensuring fresh, odour-free laundry.

#### My Cycle

Memorize your favorite programme at the touch of a button
