

FHAP2040A1

PureA300™ XL HEPA Air Purifier with WiFi

The Frigidaire Air Purifier combines compact design with powerful performance, making it ideal for living rooms or large bedrooms. With 3-step HEPA filtration this unit effectively eliminates allergens, promoting easier breathing and a healthier lifestyle. With its Air Quality Monitoring Technology, you can effortlessly track your home's air quality using the Frigidaire App, and its ultra-quiet operation at just 20 dBA ensures you can enjoy a peaceful, undisturbed home environment.

Version: 04/25

Consumer Benefits

PureAir™ RAC-17 HEPA Filter

Captures between 99.97% and 99.99% of inanimate allergens and particles such as pollen, household dust, pet dander, dust mite debris, and more down to 0.3 microns in size.

Tested per IEST RP CC00 1.7 standardized test. This product does not protect users or others against disease-causing bacteria or viruses.

Continuously Filters the Air

Perfect for a large living room this air purifier works to filter out allergens and airborne particles 4.8x per hour in a 351 Sq. Ft. room (or 1x per hour in a 1,685 Sq. Ft. room)

Based on AHAM AC-1 Internal Test

Air Quality Monitoring Technology

Easily monitor your home's air quality with the quick glance light located on the unit or within the Frigidaire App.

Reduce Unwanted Household Odors

Traps and reduces 97% of common household odors caused by pets, cooking, and smoke

Tested per JEM 1467: 2015 Deodorization Performance Testing

Ultra Quiet Operations

At 20 dBA enjoy life at home without disruption

Measured 3.28 feet in front of the product at lowest fan speed.

Smart Mode

When enabling Smart Mode, take the guesswork out of managing your air purifier. It automatically adjusts to changes in air quality, providing clean air effortlessly without the need for constant monitoring.
