

ARTEMIA

POWER RECLINER | CM9922GY-CH-PM

DETAILS:

Bring a sense of relaxation into your home decor with this durable living room ensemble. Seats that recline feature zero gravity capability – a special horizontal position that allows your body to relax thoroughly. Breathable leatherette wraps all the way around even under the flaps that accommodate the moving mechanism of each piece. Along with extendable footrests, broad armrests and soft lumbar and back padding add extra comfort that's hard to resist.
