

Cloudlike Comfort

Jarons® Lexington plush mattress are designed to provide targeted back and core support, dependable pressure relief and plush, cloudlike, body-hugging comfort.

A responsive coil system and the ultra-plush, adaptable support of certiPUR-us® certified foam layers add the final touch of cushioning and support.

SOFT HAND KNIT COVER

- Breathable cover that sleeps temperature neutral.

CALMERA® NATURAL FR

- Layered with natural plant-based, renewable, chemical-free flame retardant that naturally wicks away moisture as it regulates your body temperature for extra breathability.
- Naturally wicks away moisture
- Acts as a natural flame retardant
- Naturally antimicrobial & resistant to mites

SUPER SOFT QUILTING FOAM

- Super soft quilting layer foam for cushiony, body-hugging comfort.

PATENTED LUMBAR ZONE CROWN

- **Cooling swirl gel infused** memory foam **crown** adds support and durability to the section of the mattress that **supports the bulk of your body weight**, providing more **support for the heaviest** parts of our body, relieving pressure on your lower back.

HD CONVOLUTED COMFORT FOAM

- certiPUR® certified high-density memory foam
- Adds durable support to the comfort layers

INDIVIDUALLY WRAPPED COILS

- Each coil in this mattress is wrapped in a light fabric. There are hundreds of individually wrapped coils that respond uniquely to your movement and target support directly to your weight.

EDGE TO EDGE WRAPPED COILS

- LifEdge® Patented **Steel** Support unit made up of individually wrapped recycled steel coils responds to your body's movement and contours to your curves
- Allows for better airflow for cooler, more comfortable sleep.
- Minimizes motion transfer

HIGH DENSITY BASE FOAM

- Provides more stable, durable support
