

ILONA

OTTOMAN | CM-OS2136-E

DETAILS:

This modular outdoor patio sofa is the penultimate way to enjoy your garden, deck, or yard. It doesn't matter if you have a full size backyard, a small herb garden, or even want something pool side this set can be customized to suit your space and more importantly your comfort needs. The gray wicker and beige fabric is neutral, giving it the ability to better hide dirt and dust while matching outdoor decors and designs. So get off the couch and go outside
