Certifications & Warranty

14 cu. ft. Capacity

Offers ample storage for fresh and frozen foods, and its compact design makes it perfect for small spaces.

Garage Ready

Maintains stable temperatures in non-climate-controlled spaces.
External Temperature Range: 38°F - 110°F

Auto-Defrost

Prevents ice buildup to save you the time and effort of manual defrosting.

Gallon-Sized Door Bins

Store large containers in the door instead of using shelf space.

Humidity-Controlled Crisper Bin

Easily adjust the humidity slider to keep fruits and vegetables fresh.

Icemaker Ready

Compatible with the Midea IM1900MD Automatic Icemaker.
Available for Purchase Separately
