## LAREDO DINING TABLE

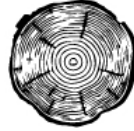

The Laredo Dining Table is the flexible centerpiece of the Modern Forge collection dining room. With two 20" extension leaves it can easily seat four, six, eight, or ten. And the mechanized table extension makes it a breeze for one person to add or remove leaves without moving the base. The Laredo also features Kincaid Furniture's KinGuard performance dining table finish. This added feature helps to protect the table top from normal food and drink spills.
