Exceptionally built using solid mindi wood, mindi Veneer and Engineered Wood components

Construction Details: This bed is expertly constructed for both durability and elegance, featuring a solid mindi wood frame that provides lasting stability. The headboard showcases intricate 1/2" mesh cane caning, adding a refined, airy aesthetic while maintaining strength. Mortise and tenon joinery enhances the frame's structural integrity, ensuring a long-lasting, stable bed structure. With six support feet attached to four sturdy slats, this bed accommodates a standard box spring and a 12" mattress comfortably, offering strong mattress support for restful nights. The beautiful cane-panel headboard brings a touch of natural texture, blending seamlessly into various decor styles and adding a unique, artisanal touch to the bedroom.
