Haven Mirrored End / Side Table
21.5" W x 21.5" D x 25.5" H • 11.74 CUFT • 106 lb.

Bring home this Haven end table to add a distinctly modern look to your living room or den. This eye-grabbing end table from Meridian Furniture features a triple-stacked platform design in a square shape for a geometric look that's more like a piece of fine sculpture than the true utilitarian item it truly is. The surfaces of the table are mirrored, adding a light, airy touch to your space and giving it a beautiful aesthetic in contemporary decor.
