

DRESDEN

SECTIONAL | SM6042-SECT

DETAILS:

A perfect addition to a modern space, this mid-century inspired sectional is a charming mix of nostalgia and flair. Extraordinary comfort comes from the plush seats and back cushions with biscuit-style tufting. On each end, the arm elegantly curves up to a low-profile stance supported by the short, angled legs. What you get is a corner sofa that seems to come right out of a hit 60s sitcom, re-imagined for the modern home of today.
