Aimee Kurzner was inspired by a vintage Swedish Gustavian design when she envisioned the Ines Peppercorn Black Chair. Rather than the traditional light gray you'd expect, she's created a dark beauty with this version of the chair that has a mahogany frame in a caviar black finish ornamented with antique gold accents. The black chair is upholstered in F0228 Appeal Peppercorn fabric. We also offer the Ines Peppercorn Black in an arm chair, both of which are available in muslin.
