

TDT1-20

Tower Drawer Triple

DCS Tower Drawers offer a convenient storage solution. Weather resistant and durable, the drawers are designed to store everything from tools to condiments and serveware. Understanding that outdoor kitchen designs require the same level of functionality as indoor, DCS Tower Drawers can be installed in many configurations.

Features & Benefits

Flexible storage

DCS soft-close drawers with full extension slides provide easy access to your condiments, smoker wood chips, serving trays or grill covers.

Premium quality design

Constructed from 304-grade stainless steel, and featuring superior weld and finish, DCS tower drawers are built to last.

Family match

The neutral stainless steel finish, refined handle profile and consistent detailing ensure DCS built-in products install seamlessly into your countertop and cabinetry palette.
