

## Bennett Daybed Warm White

**COLORS:** White

### OVERVIEW

The Bennet daybed echoes Mid-Century Modern silhouettes, while soft, muted fabrics add a more rustic feel. Made for lounging, Bennett is upholstered with soft-to-touch, highly textured fabrics and striking channel detailing. A simple ash wood base finished in a warm brown keeps the design grounded and accessible.

- 100% Polyester upholstery
- Solid wood & plywood with solid wooden base
- High-density foam and polyfill cushions
- Some assembly required
