

NOBLE COLLECTION | S64_, L64_, C64_, F64_

Feel right at home when you relax in this top-grain leather stationary sofa, loveseat and matching chair. The smooth, blown, semi-attached square back is banded and corded with the added comfort of a baffled bag in the back. The smooth, rolled arms flow into the stepped-in back where they converge with the contoured and padded lower arms.

The front of the arms are covered with face caps that are accented with brass tacks for a distinguished look. Comfort is not sacrificed by style as the cushion features encased coil springs giving a resilient, yet plush feel. Make it yours by choosing from top grain leather choices.
