Cates Modular Sofa Navy And Brown

No frame, no effort, no way it's this soft. Cates ditches the hard edges for all-out comfort. Built entirely from high-density foam, shredded memory foam, and fiber fill, it ships compressed and expands into a plush, sink-in seat—no frame, no tools, no drama. The wide arm, soft back cushions, and non-slip base make it feel substantial, while its smaller scale and modular design keep it flexible. Easy to move, easy to style, and wildly comfortable.

- Streamlined Style: A clean, frameless silhouette with wide arms and low proportions, designed to scale for smaller setups or modular expansion.
- Textured Durability: Navy-and-brown 100% polyester upholstery with a soft handfeel and 50,000 rub count that stands up to daily wear.
- Plush Construction: All foam, no frame—built from high-density foam, shredded memory foam, and fiber for sink-in comfort and structured support.
- Vacuum-Sealed, Small Parcel: Ships compressed in compact boxes to simplify delivery and fit through tight spaces—ideal for apartments, walk-ups, and smaller-scale living.
