

Clay Modular Sofa Coastsid Sand

The Clay modular sofa is upholstered with our Performance Technology Fabric, which is moisture-repellent, stain-resistant, and offers barrier protection. Its cushions are filled generously with feather and fiber blend, and channeled and double-wrapped to maximize durability. The top eight inches of cushioning are filled with foam, making it ultra comfortable while being able to withstand the demands of a bustling household.

- Performance Technology Fabric stain-resistant upholstery
- Wood & plywood frame
- 50/50 Feather-fiber blend cushions; channeled & double wrapped
- Polyfill back cushions
