The Warmest Blue 1

D2811S56212-4696

The Warmest Blue 1 is a tribute to the work of legendary German-born American painter Hans Hoffmann who profoundly influenced the coming of Abstract Expressionism. This work on canvas offers a dynamic interplay of bold geometric forms that provide spatial depth and movement in this two-dimensional work. Tension and interaction are created by the interchange of the shapes and the muted color scheme in blue indigo, denim, soft charcoal, and chocolate. Full of visual interest and masterful technique, The Warmest Blue 1 is an exquisite addition to ART by TA. Pairs beautifully with The Warmest Blue 2.
