Greek Foot Relic

1200-0931

In Stock | New

Overall: 8"h x 15"w x 5.5"d

Finish: Antique White

Materials: Marble

Item Weight: 25 lbs.

Modeled after an antique fragment of a statue found in Turkey, the Greek Foot Relic is a marvelous representation of how the body part was carved during the heyday of the Greek Renaissance. The antique white finish on the marble brings it a polished feel that looks museum-worthy. This ivory objet d'art will bring an immediate classicism to its spot on a shelf.
