Inspired by tables in country inns across Texas where travelers would gather during frontier days, the adjustable-height Balcones Friendship Table can be used for many purposes. At the 30-inch height, use it as a regular dining table, or even a desk. At the 36-inch height, use it as a counter-height table or tall desk. Table extends to 84 inches with both leaves in place to seat 8 guests. Without leaves, seats 6.
