Furniture Shaped By Your Needs ®

## Seamless Stealthy Solution For Virtually Any Decor

A simple installation with no need to open the wall or ceiling to run cables. All supporting components can be enclosed in the credenza to provide a beautiful and simple solution.

### Features:

- Flush top surface, recessed projector cavity design
- Extruded aluminum frame creates a support skeleton
- Pinch-out rear panels to permit fast, easy access to components and wiring
- Wide variety of bolt-on options and accessories are available
- Built-in Louvers for better air flow to keep equipment cool
- Center opening with a removable, grill designed to hide a speaker, 236 models

Projector Sold Separately
