WINE COOLER

DUAL ZONE

The Presrv[™] French Door Wine Cooler is the ultimate in sophisticated home wine service. This large capacity cooler maintains two distinct temperature zones with PreciseTemp $^{\mathrm{TM}}$ temperature control, Active Cooling Technology and loads of other features from Full-Extension Wood Racks to a Vibration Dampening System and more. The elegant French Door detailing shows that you love fine design at least as much as perfectly chilled wine.

Full-Extension Wood Racks

Optional Pro Handles

How Presrv™ Stands Out:

PreciseTemp™

Multiple internal sensors help maintain accurate temperatures

Vibration Dampening System

Noise and vibration is reduced to minimize wine disturbance

Active Cooling Technology

An on-board computer controls active cooling fans to provide temperature stability and even cooling

3-Color LED Lighting Available in Cloud White, Deep Blue

and Amber

WINE COOLER
