ADVANCED BED SUPPORT SYSTEMS

Introducing

Composite Technology

The interior of the new enGauge Bed Support System is reinforced for extra strength and durability. This molded system allows for smooth comfortable contours that will compliment any bedroom decor.

exclusively by:

Knickerbocker
ADVANCED BED SUPPORT SYSTEMS

MADE WITH PRIDE

guarantees a correct assembly every time.

*enGauge System uses
just 5 components*

**The entire support system assembles correctly
in less than a minute without using any tools.**

Simply drop the wedge shaped tabs on the side rails into the legs of the cross rails and the enGauge Support System squares up naturally!

enGauge Queen size Bed Support System

Smooth Contours for safety

Unlike the competition, there are no sharp edges with the enGauge support system. EnGauge blends the strength of hardened steel angle with the safety of smooth lower contours. Injection molded fiberglass infused resins are warm to the touch, hygienic and easy to clean.

NO sharp edges with the enGauge System

Stylish Design

Whether on carpeted floors, hardwood or marble, the enGauge system gives you the stability you need and the stylish look of fine furniture. EnGauge compliments any bedroom!
