Waystone Bowl

1200-0956

In Stock | New

Overall: 2.5"h x 10"dia.

Finish: Natural

Materials: Alabaster

Item Weight: 7 lbs.

The Waystone Bowl is a luminous white decorative bowl made of natural alabaster. The prized material has been hollowed out and carved into an octagonal shape as the stone was smoothed. This alabaster bowl is perfect for displaying decorative objects like colorful glass balls or left to shine on its own.
