* Rascal[®] Venture Scooters are FDA Class II Medical Devices designed to aid individuals with mobility impairments.

SWIFT RELEASE TECHNOLOGY provides a quick way to transport your Venture scooter in the trunk of your vehicle in just a few simple steps.

Rascal® Venture is available in both 3 and 4-wheel models.

Intuitive controls include horn, speed adjustment, battery meter, key switch, and forward/reverse throttle.

Recharging the Venture is fast and easy with the charging port located conveniently below the right handlebar.

Maximize your comfort with flip-up armrests, adjustable tiller, and seat height adjustment.
