NOTES

- High-resiliency and memory foam zoned comfort in the backrest and seat provides additional support and pressure point relief for your back, shoulders and seat
- Removable Technogel head pillow provides innovative cooling comfort
- Customize your comfort with a hand wand control that adjusts the headrest, lumbar support and recline independently
- Zero Gravity recline puts you in the ideal position that reduces pressure and gives you a feeling of weightlessness
- The hand wand has two memory programs for watching TV and sleeping, which can also be reprogrammed to a position of your choice
- Hand wand control can be placed on either side of the recliner to accommodate your dominant hand
- Two side pockets on each side of the recliner provide ample space for storing magazines, remotes and more
- LED motion-sensing base lighting turns on when you approach or get out of the recliner, and can be adjusted in brightness and color in the MyRecline app
- User-friendly MyRecline app technology allows you full control of your Zecliner's functions easily from your phone
- Built to last with our patented Flexsteel DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- The light gray performance fabric that is durable and easy to clean, and has superior resistance to moisture penetration
- A USB charging port is included in the hand wand for convenient charging
- 24" contoured seat with a wide waterfall chaise cradles you in and provides room for spacious sleep or recovery
- Heavy thread stitching for a bold look
- Removable back for easy moving throughout the home
