NOTES

- Striking nail head trim on the front of the arms
- Soft, pad-over arms provide lasting comfort
- A hidden, extended footrest folds out to provide additional leg support when fully reclined
- Contoured seat with waterfall chaise cradles you in while the divided back provides lower back comfort
- Customize your comfort with a power control that adjusts the recline and headrest independently
- Zero Gravity recline puts you in the ideal position that reduces pressure and gives you a feeling of weightlessness
- A third button on the power control allows you to fully recline or close up with one touch
- The power control includes USB-A and USB-C ports for convenient charging
- Available in two fabric color options that are durable and easy to clean, yet have an authentic leather look
- Built to last with our patented Flexsteel DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Removable backs for easy moving throughout the home
- Center console includes a storage compartment and two cupholders
